## LIBERTY SAVINGS FEDERAL CREDIT UNION VISA CREDIT CARD AGREEMENT AND DISCLOSURE UNDER THE FEDERAL TRUTH IN LENDING ACT

- 1. Definitions.** In this agreement the words you, your and yours mean the Visa Account Holder(s). The words we, our, and us mean Liberty Savings Federal Credit Union, Jersey City NJ, and any agent through which the Account is established. Card refers to the Visa credit card(s) which we issue you. Account refers to your Visa account with us.
- 2. Use of card.** You can use the card for purchases and cash advances. To use the card there are two alternative procedures to be followed. One is for you to present the card to a participating Visa plan merchant, to us or another financial institution, and sign the sales or cash advance slip which will be imprinted with your card. The other is to complete the transaction by using your Personal Identification Number (PIN) in conjunction with the card at an Automated Teller Machine (ATM) or other type of electronic terminal that provides access to the Visa system. You will owe us for these amounts plus finance charges, all payable in United States dollars.

Foreign Transactions. Purchases and cash advancement made in foreign countries will be billed to you in US dollars. The conversion rate to dollars will be at (1) the wholesale market rate or (2) the government mandated rate, whichever is applicable, in effect one day prior to the processing date, increased by one percent.
- 3. Monthly statements.** We will send you a statement each month in which there is a debit or credit balance over \$1.00. The statement will identify the merchant, electronic terminal or financial institution at which transactions were made. Sales, cash advance, credit or other slips cannot be returned with statements; therefore, you will retain the copy of such slips furnished at the time of transaction in order to verify the statement. You must pay at least the minimum payment by the statement due date and according to the terms and conditions of this account.
- 4. Minimum payment.** Payment must be made according to the schedule on or before the statement due date, which is 25 days after the closing date. Minimum payment also includes the greater of amounts past due and/or any amount in excess of the credit line.
- 5. Finance charges.** There will be no finance charges on purchases if you pay your bill in full within 25 days of the billing date. Otherwise the finance charge will be imposed on the Average Daily Balance (**ADB**) of purchases. Cash advances are always subject to finance charge from the day the cash advance is posted to your account, and these charges will be imposed on the ADB of cash advances.

The ADB is calculated as follows: we take the beginning balance of your account each day, add new purchases or debits, and subtract any payments or credits. This gives us the debit daily balance. Then, we add up all the debit daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the ADB which is used in calculating the finance charge.

To determine the amount of the finance charge, the ADB is multiplied by the number of days in the billing cycle and the Daily Periodic Rate. On accounts NOT secured by a pledge of shares, the daily periodic rate will be determined by a variable APR. For Platinum Rewards, Prime interest rate plus 7.25%, 11.25%, or 13.25% for purchases and Prime interest rate plus 9.25%, 13.25%, or 14.75% for cash advances. For Platinum, Prime interest rate plus 2.75%, 8.75%, or 11.25% for purchases and Prime interest rate plus 9.25%, 13.25%, or 14.75% for cash advances. These rates may change quarterly. For classic Managed Credit visa, the interest rate will be fixed at 18%.

The APR will never be greater than the maximum interest permitted by the Federal Credit Union Act which is equal to 18%. The Prime Interest Rate is defined as the U.S. Prime Rate as published in the Wall Street Journal on the last business day of the last billing cycle of the preceding billing quarter.
- 6. Secured Visa plans.** Managed Credit – If you do not qualify for a Liberty Savings Federal Credit Union visa card, you may apply for a Managed Credit visa account. You may establish the credit limit by pledging a portion of your individual or joint savings account at Liberty Savings Federal Credit Union. The secured amount will be 110% of the credit line. The amount may not be withdrawn until 30 days after you surrender your card and your account balance is paid in full. Upon default of the cardholder's agreement, we are authorized to withdraw from your savings account all amounts owed on your visa account. Minimum secured amount is \$550.00. Annual percentage rate is fixed at 18% with a \$30.00 annual fee.

To open a Managed Credit visa account you must sign a security agreement.
- 7. Application of payments.** Your payments when paid during the billing cycle will be applied to any amounts outstanding at the time it is received in the following order: Outstanding Finance Charges and Fees, remaining Purchase Balance, remaining Cash Advance Balance.
